

Just, Do Right: Micah 6:1-8
Speaking for God: Hearing the Prophets
Bread of Life Church: Daniel Low (06.14.2020)

Being right with God aligns us to do right toward others.

1. We Must Never Forget the Lord's Righteousness for Us, 6:1-5

a. The Lord presents his case against his people, 6:1-2

the Lord and Judge over all creation demands our total and undivided attention - no dismissive, defensive, or deflective attitude that denies the relevance of his charges

b. The Lord defends his actions for his people, 6:3-5

whenever we feel emotionally bummed out or distant from the Lord, that's an ideal time to mull over his righteous and gracious deeds on our behalf

2. We Must Always Remember the Lord's Requirement for Us, 6:6-8

a. What we value in our worship, 6:6-7

like ancient Israel, it's possible for us to zoom in on the wrong set of questions

b. What the Lord expects from our worship, 6:8

act justly

love mercy

walk humbly with our God
