

MERCY OUTREACH MINISTRIES

Southeast Asia Mission Trip /Medical

June 22 to July 2, 2022
Chiang Mai and Chiang Rai, Thailand
(General Meeting: May 22 at 4 pm at BOL)

We will be returning to South East Asia again for the first time since 2019. We were not able to go on a long term mission trip because of the pandemic. Through God's grace, Thailand is reopening and we're able to serve there without having to quarantine first.

This year, we will be serving in northern Thailand between the city of Chiang Mai and Chiang Rai, where many Hmong live. Our hope is that by helping these people, we can spread the Gospel throughout the region. It is exciting to serve alongside local lay people, Hmong Americans and 4Christ Mission youth. Our hope and prayer is that we will someday set up a base to train future Hmong missionaries. The Hmong are among the poorest and most persecuted people in South East Asia. There will be a lot of medical and dental needs. Our time there will be a wonderful opportunity to serve our God.

The youth team members will begin their pre-mission training in Thailand on June 22. Afterwards, we will hold a two day Disciple Training Seminar for lay leaders and adults, as well as a VBS for children and youth. Afterwards, we will visit a number of Hmong villages, churches and schools in the mountainous area between Chiang Mai and Chiang Rai.

'How beautiful on the mountains are the feet of those who bring good news, who proclaim peace, who bring good tidings, who proclaim salvation, who say to Zion, "Your God reigns!"'
Isaiah 52:7

The adults in the community desperately need medical and dental care. Through compassion care, we want to demonstrate Jesus's love in tangible ways.

The mission trips are always a wonderful time of fellowship and enriching cross-cultural experiences. We are truly blessed to witness hearts turning towards Jesus in these poverty stricken places.
