

God Loves People More than Anything

John 3:16

God loves people
— every single person in the world!

God loves people enough to take
action – he sent his son.

God loves people enough to take action
– he sent his son

We show love when we

Accept people as they are.

Reach people as they are.

Meet the needs of people as you find them.

Share the gospel at every opportunity.

God loves people enough to take action
– he sent his son

How do you recognize opportunity?

- People die
- Relationships struggle
- Health fails
- Things break

God loves people enough to take action
– he sent his son

How do you step in with the gospel?

- Ask, “how can I help you?”
- Ask, “may I pray for you?”
- Continue the conversation!
