

MERCY OUTREACH MINISTRIES Southeast Asia Mission Trip /Medical

Aug 7 to 19, 2023 (NEW DATES)
Central Thailand, Northern Laos and Vietnam
(General Meeting: May 21 at 3 pm at BOL)

We will be going to South East Asia again for the summer mission trip. We felt God's presence throughout the past five summer mission trips and His leading us to continue our work there.

This year, we will serve in the **central part of Thailand**, the Phetchabun region where many Hmong live. There, we undergo training and serve the local Hmong community. Afterward, one group will travel to **northern Laos** to serve more Hmong there. A second group will go to northern Vietnam. Our hope is that by helping these people, we can spread the Gospel throughout the region. More details will be forthcoming.

It is exciting to serve alongside local lay people, Hmong Americans, and 4Christ Mission youth. **Our hope and prayer is that we will someday set up a base in Phetchabun to train future Hmong missionaries. With God's grace, we hope to set up a mission center/school similar to San Telmo there.** The Hmong are among the poorest and most persecuted people in South East Asia. There will be a lot of medical and dental needs. Our time there will be a wonderful opportunity to serve our God.

The two-day Thailand pre-mission trip training will start on Aug 7 in Phetchabun. Afterwards, we will visit many Hmong villages, churches, and schools in the mountainous area.

The adults in the community need medical and dental care. Through compassion care, we are showing Jesus's love in tangible ways. **In Laos, team members** will visit Hmong rural churches to encourage and lead youth and disciples training programs. The people in these regions desperately need medical and dental services. **The second group in Vietnam** will provide youth ministry outreach to the Hmong youth.

These summer mission trips are always a wonderful time of fellowship and enriching cross-cultural experiences. We are truly blessed to witness hearts turning towards Jesus in these poverty-stricken places.

What/Where/When: Tentative schedule: Nonmedical team departs LAX on Aug 5.
Depart from SE Asia Aug 19.
