

MERCY OUTREACH MINISTRIES Southeast Asia Mission Trip /Medical

Trip 1 June 17 - 29; Trip 2 Medical - June 22 - 29
Chiang Mai, Thailand and Laos

We will be returning to South East Asia again this summer. We will serve in Northern Thailand and then we will travel to Laos. We will meet first in Bangkok and then fly to Chiang Mai where we will undergo two days of training for youth ministry. Next, we will do ministry at several elementary schools and churches in the Northern area of Thailand. On the next leg, we will drive to the capital of Laos, Vientiane. Our group will divide into two or more groups. One group will venture to the north and the other to the central region of the country.

This year, we will be serving in northern Thailand between the city of Chiang Mai and Chiang Rai, where many Hmongs live. Our hope is that by helping these people, we can spread the Gospel throughout the region. It is exciting to serve alongside local lay people, Hmong Americans and 4Christ Mission youth. Our hope and prayer is that we will someday set up a base to train future Hmong missionaries. The Hmongs are among the poorest and most persecuted people in South East Asia. There will be a lot of medical and dental needs. Our time there will be a wonderful opportunity to serve our God.

‘How beautiful on the mountains are the feet of those who bring good news, who proclaim peace, who bring good tidings, who proclaim salvation, who say to Zion, “Your God reigns!”’ Isaiah 52:7

The adults in the community desperately need medical and dental care. Through compassion care, we want to demonstrate Jesus’s love in tangible ways.

The mission trips are always a wonderful time of fellowship and enriching cross-cultural experiences. We are truly blessed to witness hearts turning towards Jesus in these poverty stricken places.
