

EP SUMMER

2026

EP Summer is a one-month mission trip to San Telmo, Baja California, Mexico, where you'll have the opportunity to serve the local community through a vibrant educational program designed for children and young teens. Students will experience an exciting summer filled with activities such as dance, art, science, music, and discipleship—each thoughtfully prepared by missionaries to help students discover their God-given value and purpose in Jesus Christ.

Through education, authentic relationships, and prayer, we believe God will awaken in each student a vision for their life rooted in His kingdom, a personal relationship with their Creator, and the promise of eternal life. God is looking for hearts willing to serve and share the greatest news in all of history. Now the question remains:

Will you join us this year at EP Summer?

DATE: *JULY 6 to AUG 5*

REGISTRATION DEADLINE: *MAY 16*

COST: *\$1700*
