Jesus produces his righteousness in us as we anchor our joy in him.

1. Rejoice in Our Continuing Partnership in the Gospel, 1:1-8

a. The joy in a shared vision, 1:1-5

PRAYING WITH JOY: this servant of Christ Jesus (1) shows us how to pray with joy and (2) tells us why to pray with joy

b. The hope for a completed mission, 1:6-8

like Paul illustrates in his own life, the deepest and fullest expression of love comes through our shared partnership and participation in the gospel

2. Intercede for Our Flourishing Love through the Messiah, 1:9-11

a. A process that includes devotion and discernment, 1:9

true love loves truth - a healthier affection for others leads to a clearer perception of truth

b. A result that yields excellence and exaltation, 1:10-11

A Loving Life + A Discerning Life = A Righteous Life that Glorifies God
